CYBERWELLNESS

Practising Cyber Wellness

Cyber Wellness education focuses on helping your child to be a responsible digital learner. Learn more about the programme and curriculum.

What is Cyber Wellness?

Cyber Wellness (CW) in Character and Citizenship Education (CCE) focuses on the well-being of our students as they navigate cyberspace. Our curriculum aims to equip students with the knowledge and skills to harness the power of ICT for positive purposes, maintain a positive presence in cyberspace and be safe and responsible users of ICT.

3 principles of Cyber Wellness

These 3 main principles will guide your child's decision-making and anchor their well-being:

- Respect for self and others.
- Safe and responsible use.
- Positive peer influence.

CYBER WELLNESS EDUCATION

How it works

CW education is usually conducted during curriculum time and through programmes in schools such as workshops, talks and activities. CW topics are also included in subjects such as English and Mother Tongue Languages.

What to expect

The following time is dedicated to CW education:

- Primary schools: 14 lessons during the Form Teacher Guidance Period.

CW curriculum: at a glance

Topics	What your child will learn about
Cyber use	<ul style="list-style-type: none">Maintaining a healthy balance of online and offline activities
Cyber identity	<ul style="list-style-type: none">Developing a healthy online identityAppropriate online expression
Cyber relationships	<ul style="list-style-type: none">NetiquetteCyber bullyingDeveloping safe, respectful and meaningful online relationships

Support at home

To help your child stay safe and have positive experiences online, you can:

- Organise more outdoor activities together.
- Activate parental controls on your home devices.
- Model good digital habits for your child.
- Set ground rules for internet use.
- Navigate the internet together to understand their usage.

SCHOOL KEY PROGRAMMES

Applied Learning Programme (ALP)

“Literacy Through Photojournalism”

The main objectives of the Literacy Through Photojournalism (LTP) programme are as follows:

- To develop language, visual and global literacies through photography.
- To build the confidence in our students as they experience success in their creative expressions.
- To tap on the photography skills to communicate ideas that students are championing for.

Programme Structure

The LTP programme is divided to 2 levels of training and will take on a developmental approach towards the learning of photography and photography-related skills. The application of these skills picked up at each level enables the student to craft their photojournal.

P2 LTP- BASIC PHOTOGRAPHY USING IPADS

Capturing photos depicting different textures and colours. Introduction to simple photography vocabulary e.g. lighting, composition.

P2 LTP Tasks
Capture photographs of textures in our environment using close-up technique with the theme - The Animal Kingdom (Nature)
